Dear Mr. Herman,

It is with great pleasure, now that the Memorandum of Understanding (MOU) between Pasco-Hernando Community College (PHCC) and the Center for Emergency Medical Services Education (CEMSE) has been approved, that PHCC accepts your invitation to visit St. Lucia for the purpose of evaluating and assessing the Center's EMT students in accordance with the standards for the National Registry of Emergency Medical Technicians (NREMT). Pasco-Hernando Community College would also like to extend an invitation to Mr. Herman and other CEMSE representatives to visit our College for the purpose collaboration and curriculum development for the EMT program in St. Lucia. We would also welcome EMT students from St. Lucia to participate in a field observation rotation with the clinical component of PHCC's EMT program.

We look forward to our new partnership and the mutual learning opportunities each have to offer.

Please do not hesitate to contact me if you need any further information.

Kind Regards,

Jayme Rothberg
